

Fall 2024 Initial Enrollment EXECUTIVE SUMMARY

Purpose of Report: To provide the 2024-2025 initial fall enrollment.

The Sioux Falls School District's initial SY 24-25 (K-12) fall enrollment is 24,335 FTE, which is 71 less than the initial count for the 23-24 School Year (SY).

The count is based on active enrollments as of the 4th day of school.

The preliminary enrollment for the kindergarten class is 1,778 students, 127 fewer than in the previous school year, SY 23-24.

Enrollment in grades 1-5 is up 102 students.

Middle school enrollment is down 131 students, primarily due to a large SY 23-24 8th grade class moving into high school.

High school enrollment is up to 86 students, reflecting the large SY 23-24 8th grade class advancing from middle school.

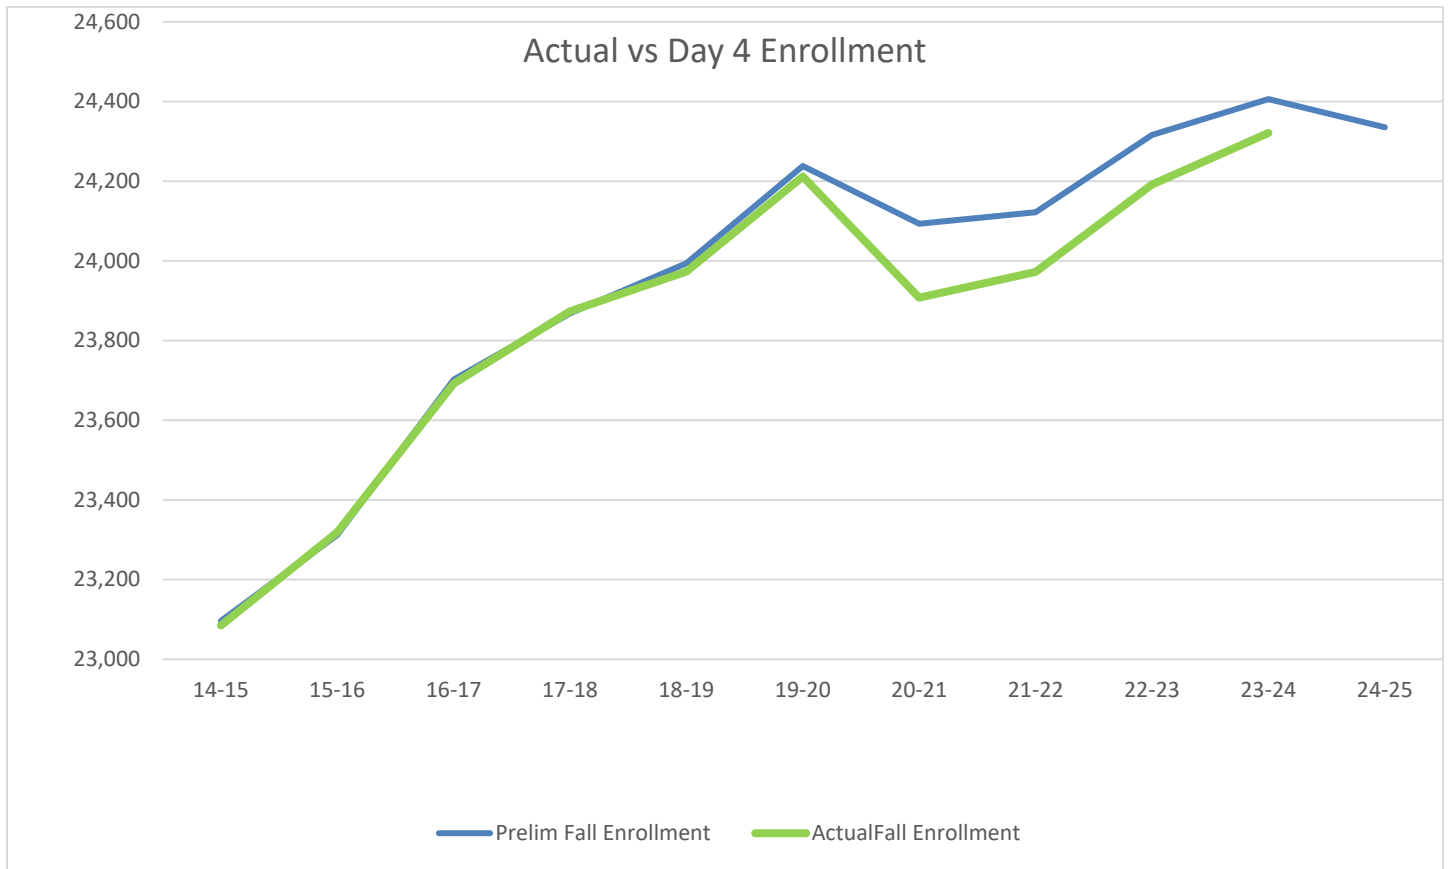

Open Enrollment into the SFSD has increased by 15 students, now standing at 1,065.

Administrative Recommendation to School Board: Acknowledge the Fall 2024 Initial Enrollment Report.
